### **SUBJECT: Sexual Harassment**

The County Board of Education and County Superintendent of Schools are committed to maintaining an educational environment that is free from harassment and discrimination. The County Office of Education prohibits sexual harassment of students by other students, employees, or other persons, at school or at school-sponsored or school-related activities. The County Office of Education also prohibits retaliatory behavior or action against persons who complain, testify, assist, or otherwise participate in the complaint process established pursuant to this policy and the administrative regulation

The County Board of Education strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult who has experienced off-campus sexual harassment that has a continuing effect on campus to immediately contact his/her teacher, the principal, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the principal or a district compliance officer. Once notified, the principal or compliance officer shall take the steps to investigate and address the allegation, as specified in the accompanying administrative regulation.

5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students
6. Information about the County Office of Education's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the County Office of Education investigation of a sexual harassment complaint continues
8. A clear message that, when needed, the County Office of Education will take interim measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation and that, to the extent possible, when such interim measures are taken, they shall not disadvantage the complainant or victim of the alleged harassment.

Sexual harassment complaints by and against students shall be investigated and resolved in accordance with law and County Office of Education procedures specified in AR 1312.3 - Uniform Complaint Procedures.
