School Description

The Riverside County Office of Education (RCOE) Alternative Education Juvenile Court School program staff, under the guidance and leadership of the RCOE Executive Director of Alternative Education, are committed to providing a high quality educational program for students. The Court school program is WASC accredited and programs are designed to increase students' basic level in reading, writing, and mathematics; to provide opportunities to complete high school graduation or high school equivalency test requirements; and to compete effectively for jobs or to seek higher education. During 2014-15, there were three educational settings for students in the court school system located at three juvenile hall sites. Through personalized and self-paced instruction, the court school program encourages students to work toward completing a high school education, high school equivalency test, or California High School Proficiency Exam and become successful citizens in society. Students are placed in juvenile hall by the juvenile justice system.

Alternative Education Mission Statement:

The Mission of the Riverside County Alternative Education Court School program is to ensure the success of all students through extraordinary service, support, and partnerships.

Expected School-Wide Learning Results (ESLRs):

- 1. Become self-directed, life-long learners.
- 2. Become outstanding communicators.
- 3. Become academically proficient learners.
- 4. Become responsible and productive citizens.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school at (951) 826-6464 or the district office.

2014-15 Student Enrollment by Grade Level						
Grade Level Number of Students						
Grade 9	6					
Grade 10 23						
Grade 11 30						
Grade 12 44						
Total Enrollment 103						

2014-15 Student Enrollment by Group						
Group	Percent of Total Enrollment					
Black or African American	15.5					
American Indian or Alaska Native	2.9					
Hispanic or Latino	59.2					
White	20.4					
Two or More Races	1.9					
Socioeconomically Disadvantaged	95.1					
English Learners	18.4					
Students with Disabilities	16.5					
Foster Youth	12.6					

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

^{*} High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Pursuant to Education Code Section 60119, a Public Hearing was held to determine that each pupil enrolled in a school has sufficient textbooks or instructional materials, or both, that are aligned to the content standards adopted pursuant to Education Code Section 60605 in each of the following subjects, as appropriate, that are consistent with the content and cycles of the curriculum framework adopted by the state board: Mathematics, Science, History-Social Science, English/Language Arts, including the English Language development component of an adopted program, foreign language and health courses.

The Riverside County Board of Education Resolution No. 01-16 certifies that students in Riverside County Office of Education classes have sufficient textbooks and/or instructional materials and that the Board held a public hearing regarding such materials in the time frame and manner prescribed by statute.

At the same Public Hearing, The Riverside County Board of Education approved the adoption of new mathematics textbooks and instructional materials, as outlined in the list below.

No new textbooks were adopted for the 2014-15 school year. The list below includes textbooks adopted for the 2013-14 and 2015-16 school years.

School Facility Conditions and Planned Improvements (Most Recent Year)

The RCOE Alternative Education Department expects students in the Juvenile Court Schools program to attend to and fulfill their educational requirements while incarcerated in one of the three juvenile detention centers located in Riverside County. Juvenile Court personnel monitor visitations at the three sites. Visitors are asked to check-in and sign a log stating their presence and their reason for visiting. Limits and controls regarding authorized or unauthorized access to the juvenile detention centers during the school day are clearly posted.

Classrooms for students enrolled in the Juvenile Court Schools program are housed within the juvenile detention centers to facilitate easy access to learning. The educational programs and personnel provide all other services within the juvenile detention centers. Each center location has facility accommodations for both students and staff.

The court school classrooms under this County-District-School (CDS) code are located in three (3) institutions and are operated by Riverside County Probation. Probation provides both custodial and maintenance services for the classrooms. Annual school inspections are completed by probation and RCOE also conducts independent inspections annually. As indicated in the annual school inspections, the classrooms throughout the court school locations are in good condition.

The following facilities are included in the CDS code assigned to the juvenile court programs:

Lawrence F. Smith Juvenile Hall, Indio Riverside Juvenile Hall, Riverside Southwest Detention Center, Murrieta

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2014-15 CAASPP Results for All Students

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parent involvement is critical to the success of students and highly encouraged by RCOE staff. Parents have the opportunity to become involved through the following options:

- Enrollment
- Parent/teacher conferences (formal and informal)
- Individualized Education Program (IEP) process
- Volunteers
- School Site Council
- English Learner Advisory Council
- District English Learner Advisory Council
- Parent Activity Nights

Anyone interested in volunteering in any capacity may contact the Alternative Education Program by calling the county office at (951) 826-6464.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

• Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

The RCOE School Safety Plan is updated annually by March of each school year by RCOE staff and probation officials. During the 2014 -15 school year, the plan was reviewed by administrators, school staff, and probation representatives in January 2015. The School Safety Plan is discussed regularly at leadership, staff, and management team meetings.

The Safety Plan includes information intended to identify elements and resources important in improving school safety and preventing campus violence throughout the county and is categorized into assessment data, funding sources, discipline policies and practices, professional development, counseling and guidance, collaboration, programs and strategies, and campus security. Relevant data is reviewed to identify school safety issues (e.g., California Healthy Kids Survey, school crime data, suspensions and expulsions, counseling referrals, law enforcement reports, etc.).

Positive Learning Environment & Discipline:

Counseling, guidance, psychological services, and social services are available to all students. Mental health, probation and law enforcement agencies are actively involved in the activities that contribute to improving the safety of the school environment at RCOE. Prevention/intervention programs are used to create a safe drug-free learning environment. Some of the issues addressed through these programs that impact students are:

- Gang Risk Intervention
- Conflict Management
- Classroom Management
- Hate Violence-Motivated Behavior
- Harassment
- Child Abuse Reporting
- Commercial Sexual Exploitation of Children

Existing school discipline rules and procedures are reviewed at the beginning of each school year to ensure they address student behavior problems and school safety issues. The rules and the procedures are given to all students and parents upon enrollment explaining codes of conduct, unacceptable behavior, and disciplinary consequences. The dress code states that students should be dressed appropriately for normal school activities; students' attire should reflect pride and respect. Health and safety are guidelines to acceptable school attire.

Suspensions and Expulsions							
School	2012-13	2013-14	2014-15				
Suspensions Rate	5.97	14.72	8.04

Resource Specialist	0				
Other	0				
Average Number of Students per Staff Men	nber				
Academic Counselor	0				

^{*} One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Professional Development provided for Teachers

Staff training and development is conducted throughout the school year in the form of training sessions for all site and management staff. At the beginning of each school year, an annual kick-off event is held for all staff, which includes an overview of programs and services, and presentations on current education topics, such as special education, increasing student achievement, and other topics to help improve student performance.

During the 2014-15 school year, staff training and professional development included the following: Summer Institute for Learning and Knowledge (SILK); Capturing Kids Hearts; Common Core; Positive Behavioral Interventions and Supports (PBIS); Crisis Prevention and Intervention; Research Investigate Strategic Experience (RISE) Dropout Prevention/Engagement Strategies to promote high school graduation; Common Core; data analysis; Project Based Learning; Developmental Assets; PROMIS Student Information System; AVID; and other trainings and staff development days specifically designed to improve teacher and student performance. In addition, staff participated in Professional Learning Communities (PLCs) on a weekly basis, each Wednesday of the week. Teachers are provided ongoing support through teacher-principal meetings, coaching and mentoring, and review student performance data on a regular basis in order to determine effectiveness of services.

During the 2013-14 school year, staff training and professional development included the following: Summer Institute for Learning and Knowledge (SILK); Capturing Kids Hearts; Common Core; Positive Behavioral Interventions and Supports (PBIS); Crisis Prevention and Intervention; RISE Dropout Prevention/Engagement Strategies to promote high school graduation; Common Core; data analysis; Project Based Learning; Developmental Assets; PROMIS Student Information System; and other trainings and staff development days specifically designed to improve teacher and student performance. In addition, staff participated in Professional Learning Communities (PLC) on a weekly basis, each Wednesday of the week. Teachers are provided ongoing support through teacher-principal meetings, coaching and mentoring, and review student performance data on a regular basis in order to determine effectiveness of services.

During the 2012-13 school year, staff training and professional development included the following: SILK; Capturing Kids Hearts; HOLT Algebra Readiness; PLATO Online Learning; PBIS; Crisis Prevention and Intervention (CPI); RISE Dropout Prevention/Engagement Strategies to promote high school graduation; ELA teachers were trained on the Expository Reading and Writing Course (ERWC); and other trainings and staff development days specifically designed to improve teacher and student performance. In addition, staff participated in PLCs each Wednesday.

Career Technical Education Programs

The RCOE Alternative Education program continues to expand CTE course offerings based on student interest and current job market trends.

Data Ouest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
