24 (a) "Consult with pupils," as used in Education Code sections 52060, 52066, and 47606.5, means a process to  
25 enable pupils, including unduplicated pupils and other numerically significant pupil subgroups, to review and  
26 comment on the development of the LCAP. This process may include surveys of pupils, forums with pupils, pupil  
27 advisory committees, or meetings with pupil government bodies or other groups representing pupils.

28 (b) "English learner parent advisory committee," as used in Education Code sections 52063 and 52069 for  
29 those school districts or schools and programs operated by county superintendents of schools whose enrollment  
30 includes at least 15 percent English learners and at least 50 pupils who are English learners, shall be composed of a  
31 majority of parents, as defined in subdivision (e), of pupils to whom the definition in Education Code section  
32 42238.01(c) applies. A governing board of a school district or a county superintendent of schools shall not be  
33 required to establish a new English learner parent advisory committee if a previously established committee meets  
34 these requirements.

1 (c) "Local control and accountability plan (LCAP)" means the plan created by an LEA pursuant to Education  
2 Code sections 47606.5, 52060, or 52066, and completed in conformance with the LCAP and annual update

10 the definitions in Education Code section 42238.01 apply. A governing board of a school district or a county  
11 superintendent of schools shall not be required to establish a new parent advisory committee if a previously  
12 established committee meets these requirements, including any committee established to meet the requirements  
13 of the federal No Child Left Behind Act of 2001 (Public Law 107-110) pursuant to Section 1112 of Subpart 1 of Part

32  
33 **§ 15496. Requirements for LEAs to Demonstrate Increased or Improved Services for Unduplicated Pupils in**  
34 **Proportion to the Increase in Funds Apportioned for Supplemental and Concentration Grants.**

35 (a) An LEA shall provide evidence in its LCAP to demonstrate how funding apportioned on the basis of the  
36 number and concentration of unduplicated pupils, pursuant to Education Code sections 2574, 2575, 42238.02, and  
37 42238.03 is used to support such pupils. This funding shall be used to increase or improve services for

1 unduplicated pupils as compared to the services provided to all pupils in proportion to the increase in funds  
2 apportioned on the basis of the number and concentration of unduplicated pupils as required by Education Code  
3 section 42238.07(a)(1). An LEA shall include in its LCAP an explanation of how expenditures of such funding meet  
4 the LEA's goals for its unduplicated pupils in the state priority areas. An LEA shall determine the percentage by  
5 which services for unduplicated pupils must be increased or improved above services provided to all pupils in the  
6 fiscal year as follows:

7 (1) Estimate the amount of the LCFF target attributed to the supplemental and concentration grants for the  
8 LEA calculated pursuant to Education Code sections 42238.02 and 2574 in the fiscal year for which the LCAP is  
9 adopted.

10 (2) Estimate the amount of LCFF funds expended by the LEA on services for unduplicated pupils in the prior  
11 year that is in addition to what was expended on services provided for all pupils. The estimated amount of funds  
12 expended in 2013-14 shall be no less than the amount of Economic Impact Aid funds the LEA expended in the  
13 2012-13 fiscal year.

14 (3) Subtract subdivision (a)(2) from subdivision (a)(1).

15 (4) Multiply the amount in subdivision (a)(3), by the most recent percentage calculated by the Department of  
16 Finance that represents how much of the statewide funding gap between current funding and full implementation  
17 of LCFF is eliminated in the fiscal year for which the LCAP is adopted.

18 (5) Add subdivision (a)(4) to subdivision (a)(2).

19 (6) Subtract subdivision (a)(5) from the LEA's total amount of LCFF funding pursuant to Education Code  
20 sections 42238.02 and 2574, as implemented by Education Code sections 42238.03 and 2575 respectively,  
21 excluding add-ons for the Targeted Instructional Improvement Grant program and the Home to School  
22 Transportation program, in the fiscal year for which the LCAP is adopted.

23 (7) Divide the amount in subdivision (a)(5) by the amount in subdivision (a)(6).

24 (8) If the calculation in subdivision (a)(3) yields a number less than or equal to zero or when LCFF is fully  
25 implemented statewide, then an LEA shall determine its percentage for purposes of this section by dividing the  
26 amount of the LCFF target attributed to the supplemental and concentration grant for the LEA calculated pursuant  
27 to Education Code sections 42238.02 and 2574 in the fiscal year for which the LCAP is adopted by the remainder of  
28 the LEA's LCFF funding, excluding add-ons for the Targeted Instructional Improvement Grant program and the  
29 Home to School Transportation program.

30 (b) This subdivision identifies the conditions under which an LEA may use funds apportioned on the basis of  
31 the number and concentration of unduplicated pupils for districtwide, schoolwide, countywide, or charterwide  
32 purposes: Pursuant to Education Code section 42238.07(a)(2), an LEA may demonstrate it has increased or  
33 improved services for unduplicated pupils under subdivision (a) of this section by using funds to upgrade the entire  
34 educational program of a schoolsite, a school district, a charter school, or a county office of education as follows:

35 (1) A school district that has an enrollment of unduplicated pupils of 55 percent or more of the district's total  
36 enrollment in the fiscal year for which an LCAP is adopted or in the prior year may expend supplemental and

1 concentration grant funds on a districtwide basis. A school district expending funds on a districtwide basis shall do  
2 all of the following:

3 (A) Identify in the LCAP those services that are being funded and provided on a districtwide basis.

4 (B) Describe in the LCAP how such services are principally directed towards, and are effective in, meeting the  
5 district's goals for its unduplicated pupils in the state and any local priority areas.

6 (2) A school district that has an enrollment of unduplicated pupils less than 55 percent of the district's total  
7 enrollment in the fiscal year for which an LCAP is adopted may expend supplemental and concentration grant  
8 funds on a districtwide basis. A school district expending funds on a districtwide basis shall do all of the following:

9 (A) Identify in the LCAP those services that are being funded and provided on a districtwide basis.

10 (B) Describe in the LCAP how such services are principally directed towards, and are effective in, meeting the  
11 district's goals for its unduplicated pupils in the state and any local priority areas.

12 (C) Describe how these services are the most effective use of the funds to meet the district's goals for its  
13 unduplicated pupils in the state and any local priority areas. The description shall provide the basis for this  
14 determination, including, but not limited to, any alternatives considered and any supporting research, experience,  
15 or educational theory.

16 (3) A school district that has an enrollment of unduplicated pupils at a school that is 40 percent or more of the  
17 school's total enrollment in the fiscal year for which an LCAP is adopted or in the prior year may expend  
18 supplemental and concentration grant funds on a schoolwide basis. A school district expending funds on a  
19 schoolwide basis shall do all of the following:

20 (A) Identify in the LCAP those services that are being funded and provided on a schoolwide basis.

21 (B) Describe in the LCAP how such services are principally directed towards, and are effective in, meeting the  
22 district's goals for its unduplicated pupils in the state and any local priority areas.

23 (4) A school district that has an enrollment of unduplicated pupils that is less than 40 percent of the  
24 schoolsite's total enrollment in the fiscal year for which an LCAP is adopted may expend supplemental and  
25 concentration grant funds on a schoolwide basis. A school district expending funds on a schoolwide basis shall do  
26 all of the following:

27 (A) Identify in the LCAP those services that are being funded and provided on a schoolwide basis.

28 (B) Describe in the LCAP how such services are principally directed towards, and are effective in, meeting the  
29 district's goals for its unduplicated pupils in the state and any local priority areas.

30 (C) Describe how these services are the most effective use of the funds to meet the district's goals for its  
31 unduplicated pupils in the state and any local priority areas. The description shall provide the basis for this  
32 determination, including, but not limited to, any alternatives considered and any supporting research, experience,  
33 or educational theory.

34 (5) A county office of education expending supplemental and concentration grant funds on a countywide basis  
35 or a charter school expending supplemental and concentration grant funds on a charterwide basis shall do all of  
36 the following:

37 (A) Identify in the LCAP those services that are being funded and provided on a countywide or charterwide

1 basis.

2 (B) Describe in the LCAP how such services are principally directed towards, and are effective in, meeting the  
3 county office of education's or charter school's goals for its unduplicated pupils in the state and any local priority  
4 areas, as applicable.

9 **§ 15497. County Superintendent of Schools Oversight of Demonstration of Proportionality.**

10 In making the determinations required under Education Code section 52070(d)(3), the county superintendent  
11 of schools shall include review of any descriptions of districtwide or schoolwide services provided pursuant to  
12 sections 15496(b)(1) through (b)(4) when determining whether the school district has fully demonstrated that it  
13 will increase or improve services for unduplicated pupils pursuant to section 15496(a). If a county superintendent  
14 of schools does not approve an LCAP because the school district has failed to meet its requirement to increase or  
15 improve services for unduplicated pupils as specified in this section, it shall provide technical assistance to the  
16 school district in meeting that requirement pursuant to Education Code section 52071.

## § 15497.5. Local Control and Accountability Plan and Annual Update Template.

### Introduction:

**LEA: Palm Desert Charter Middle School      Contact (Name, Title, Email, Phone Number): Sallie Fraser, Principal, [sallie.fraser@desertsands.us](mailto:sallie.fraser@desertsands.us) 760-862-4320**  
**LCAP Year: 2015/2016, 2016/2017, & 2017/2018**

### ***Local Control and Accountability Plan and Annual Update Template***

*The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.*

*For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.*

*For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.*

*Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.*

*The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.*

*For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.*

### **State Priorities**

*The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.*

#### **A. Conditions of Learning:**

**Basic:** *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

**Implementation of State Standards:** *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

**Course access:** *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

**Expelled pupils (for county offices of education only):** *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

**Foster youth (for county offices of education only):** *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

**Pupil achievement:** *performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)*

**Other pupil outcomes:** *pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)*

#### **C. Engagement:**

**Parental involvement:** *efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)*

**Pupil engagement:** *school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)*

**School climate:** *pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)*

## Section 1: Stakeholder Engagement

*Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.*

**Instructions:** Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

### Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

## Section 2: Goals, Actions, Expenditures, and Progress Indicators

### Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

### Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

**Related State and/or Local Priorities:** Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

**Identified Need:** Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

**Schools:** Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

**Applicable Pupil Subgroups:** Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

**Expected Annual Measurable Outcomes:** For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

**Actions/Services:** For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

**Scope of Service:** Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

**Pupils to be served within identified scope of service:** For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

**Budgeted Expenditures:** For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

**Guiding Questions:**

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA’s budget?

## Annual Update

**Annual Update Instructions:** For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

### Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

**Section 3: Use of Supplemental and Concentration Grant funds and Proportionality**

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated: \$ 508,995

The use of Supplemental /Concentration funds, for the principle benefit of supporting our unduplicated students, is budgeted district and school-wide for actions and services to increase student achievement. The actions/services come out of identified needs of our low income, foster youth and English learner students.

Below is a breakdown of expenditures by goal area: For more explanation see Action Area with Support/Services in the LCAP.

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.
