### CBK STUDENTS GET A BACKSTAGE VIEW THROUGH FOX FOUNDATION TRAINING PROGRAM

On November 18, 30 students from the Riverside County Office of Education Come Back Kids program participated in a half-day, live-theater technology training program at the historic downtown Fox Performing Arts Center. The theater technology workshop for high school and early college age students provided hands-on experience into the world of professional theater and its potential careers. This unique program was sponsored by AT&T, RCOE Foundation, Fox Riverside Theater Foundation, and Live Nation Entertainment. Students who participated received a certificate of completion.
