STAFF RECOMMENDATION: Adopt the Come Back Kids Charter 2020-2021 Learning Continuity and Attendance Plan.

BACKGROUND INFORMATION: Senate Bill (SB) 98 established California EC Section 43509 and the Learning Continuity and Attendance Plan (Learning Continuity Plan) requirements for the 2020–2021 school year. The Learning Continuity Plan was presented at the Come Back Kids Charter Governing Authority meeting on September 8, 2020 for review and comment by members of the public.

The Learning Continuity Plan template memorializes the planning process already underway for the 2020–21 school year and includes descriptions of the following: addressing gaps in learning; conducting meaningful stakeholder engagement; maintaining transparency; addressing the needs of unduplicated pupils, students with unique needs, and students experiencing homelessness; providing access to necessary devices and connectivity for distance learning; providing resources and supports to address student and staff mental health and social emotional well-being; and continuing to provide school meals for students.

CURRENT CONSIDERATIONS: The LEA governing board/body shall adopt the Learning Continuity Plan by September 30, 2020 in a public meeting. This meeting shall be held after, but not on the same day as, the public hearing for receiving public comment described below.

REVIEW BY OTHERS: Associate Superintendent of Student Programs and Services
Executive Director, Alternative Education

FISCAL IMPACT: The Learning Continuity Plan must be approved in order to receive funding. The Learning Continuity Plan shall describe how federal and state funding included in the original or revised budget adopted by the LEA is used to support the efforts described in the Plan including funds provided for learning loss mitigation. Identifying other specific funding sources is not required by statute.
