FOUNDATION GRANT OPPORTUNITIES

PTA Grants From California State PTA

Grants are available to assist unit, council, and district PTAs and California State PTA commissions and committees to develop and implement programs in parent education, cultural arts, and leadership development. Grants are also available to assist unit, council and district PTAs to translate PTA materials into other languages. For more information: <http://capta.org/pta-leaders/programs/grants-awards>.

RGK Foundation

Within a community, RGK Foundation supports a broad range of human services, community improvement, abuse prevention, and youth development programs. Human service programs of particular interest to the RGK Foundation include children and family services, early childhood development, and parenting education. Youth development programs supported by the foundation typically include after-school educational enrichment programs that supplement and enhance formal education systems to increase the chances for successful outcomes in school and life. For more information: www.rgkfoundation.org.

Barbara Bush Foundation for Family Literacy

The Barbara Bush Foundation for Family Literacy accepts applications for its national grant competition. To be eligible for a grant, an organization must have current nonprofit or public status, have been in existence for two or more years as of the date of the application, operate an instructional literacy program that has been in existence for at least two years, and includes one or more of the following components: literacy for adults, parent education, pre-literacy or literacy instruction for children pre-K to grade 3, and intergenerational literacy activities. For more information: www.barbarabush.org.

PowerMyLearning (Formerly Computers for Youth Foundation)

PowerMyLearning (PMR, formerly CFY) is a national nonprofit organization committed to ensuring that all students have high-quality learning experiences. PML work leverages technology to foster growth in teachers as instructional leaders; in parents as support partners; and in students as learners who can meet the challenge of high academic standards. PML partners with schools, districts, and after-school hubs to provide teachers with coaching, and students and parents with devices and training. Underlying this work is the free web platform, PowerMyLearning® Connect™, already in use in 40% of school communities nationwide. PML has demonstrated impact on student achievement and love of learning; teacher instructional practices; and parental confidence. For more information: www.powermylearning.org.
