Awakening the Dynamic Spirit of Black Boys

This hopeful and interactive half-day workshop, presented by Akoben, LLC., will empower participants with the facts around the challenges from and facing our Black boys as well as the critical elements of a customized plan for awakening the dynamic spirits of these youth. Our Black boys should be assets in our communities and organizations, however, too few environments have been able to fully and positively engage and connect with them. Across nearly every indicator of social progress and positive development, our Black boys are struggling.
