

DISTRICT ENGLISH LEARNER ADVISORY COMMITTEE ACADEMY

We are excited to offer the District English Learner Advisory Committee (DELAC) Academy, designed for DELAC parent and caregiver teams. This unique training series is designed to inspire and develop parent leaders, resulting in increased engagement of parent leaders and improved effectiveness of DELAC leadership for the benefit of English learners. The DELAC academy is unique in that it will connect the seven responsibilities of DELAC with tangible, relatable experiences through the lens of parent leadership. In this academy, DELAC teams will develop their leadership skills by understanding their role in: (1) the District English Learner Master Plan, (2) conducting a District-wide needs assessment, (3) reviewing and commenting on reclassification procedures, and (4) the English learner program as outlined in the Local Control and Accountability Plan (LCAP).

SKILLS & OUTCOMES

Engagement

- Understand the impact of student engagement and school climate on student achievement of English learners in your school/district
