12 provided that the Employer shall not put a remedy into effect for said
13 grievance until the Association has been served notice by the Employer
14 providing the opportunity to respond.
- 15
- 16 C. In the event the grievant fails to meet a time limit, the grievance will be
17 considered resolved at the highest level at which the procedure has been
18 completed. Failure of the grievant to act within the prescribed time limits
19 stated in this Article will serve as a bar to any further appeal.
- 20
- 21 D. In the event the procedure is not completed within the time limit by the
22 appropriate management level handling it, the grievant may proceed to the
23 next level.
- 24
- 25 E. The time limits contained in this Article are considered maximum limits;
26 however, time limits may be extended in any specific instance by written
27 Agreement of both parties at any level.

21 B. Within twenty five (25) days (reference 7.1 Definition) after the
22 occurrence of the act or omission giving rise to the grievance, the

4. The specific remedy sought.

C. The immediate supervisor shall communicate a decision to the bargaining unit member and his designated agent, if so appointed, in writing within ten (10) days after receiving the grievance. If the supervisor does not respond within the time limit, the grievant may appeal to the next level, unless the parties agree to a definite period of time to place a grievance in abeyance while seeking an informal resolution.

7.3.3 Level II - Director

In the event the grievant is not satisfied with the decision at Level I, the grievant may appeal the decision in writing to the appropriate director or designee with copies to the Association and the Division of Personnel Services within ten (10) days, dating from the receipt of the Level I response, or the date that Level I response should have been issued.

7 3. Elements of the Level I decision with which the grievant agrees;
8 and

9 4. The specific remedy sought.
10

11 B. The director or designee shall communicate a decision within ten (10)
12 days after receiving the appeal from the Level I decision. If the director
13 or designee does not respond within the time limits, the grievant may
14 appeal to the next level.
15

16 **7.3.4 Level III - Division Head**

17 In the event the grievant is not satisfied with the decision at Level II, the
18 grievant may appeal the decision in writing to the appropriate division head

12 grievant may appeal to the next level.
13

14 **7.3.5 Level IV - Mediation Step**

15 In the event the grievant is not satisfied with the decision at Level III, the
16 parties to this Agreement shall, within fifteen (15) days, dating from the
17 issuance of the Level III response, request that a mediator be assigned by
18 the California State Conciliation Service to assist in facilitating resolution
19 of the grievance. In the alternative, the parties may agree that a particular
20 mediator be assigned.
21

22 If an agreement is reached, the agreement shall be reduced to writing and
23 shall be signed by the grievant, the Association and the Employer. This
24 agreement shall constitute a settlement of the grievance.

25 If the grievance is not resolved at Level IV, the grievance may proceed to
26 arbitration at Level V. If the grievant is not the Association, the grievant
27 must secure the Association's approval to proceed to arbitration. The
28 grievant must submit the request to proceed to arbitration on the prescribed

 - 15 3. Within fifteen (15) working days of the receipt of the names, the
16 parties will select an arbitrator by alternately striking a name from the
17 list until one name remains. The remaining panel member shall be the
18 arbitrator. The order of the striking shall be determined by lot.
 - 19 4. The fees and expense of the arbitrator and the hearing shall be borne
20 equally by the Employer and the Association. All other expenses shall
21 be borne by the party incurring them.
 - 22 5. If any question(s) arises as to either the arbitrability of the grievance or
23 the timeliness of the grievance, such question(s) shall be first decided
24 by the arbitrator in a separate hearing before consideration of the
25 merits of the grievance.

ARTICLE IX

The normal work year for a full-time bargaining unit member shall consist of a full twelve (12) month period, encompassing approximately 2,080 hours adjusted yearly as calendar necessitates, unless otherwise negotiated. The calendar year shall be confirmed prior to the start of each fiscal year. The normal workweek for a full-time bargaining unit member shall consist of five (5) consecutive workdays in a pre-established work schedule, encompassing a recurring seven (7) day period. The workday shall consist of any 24 hours in a pre-established work schedule, commencing with the scheduled reporting time for the employee shift. 9.2 ALTERNATIVE TIME SCHEDULE

Notwithstanding the above, an alternative time schedule (i.e., 4/10 or 9/80) may be implemented in accordance with the statutory provisions prescribing such work weeks if agreed by the Employer and the Association. The daily hourly assignment under an alternative time schedule shall be used for purposes of determining vacation, holiday, and sick leave compensation. If an alternative time schedule is established, the overtime rate shall be paid for all hours worked in excess of the required workday. Work performed on the off-scheduled fifth,

1 sixth, seventh or tenth day shall be compensated for at a rate equal to one and one
2 half (1½) times the regular rate of pay of the employee designated and authorized

10

11 **9.3.1 Increase In Hours**

12 When additional time is assigned to a position on a regular basis, the

 - 18 c. Performance
- 19

20 **9.4 EMPLOYER**

21 Nothing in the above shall be construed as a guarantee of a certain number of
22 workdays, a certain work shift or a certain number of work hours per shift. The
23 Employer's Personnel Action Request (PAR) form shall prevail in the initial
24 determination of hours scheduled. The employer shall have the right to initially
25 establish work hours, work days, work year, and work shift. Such decisions to
26 make schedule changes of one hour per day or less, or one day per week in a
27 position with an incumbent shall not be implemented until the Employer and the
28
29
30

1 Association have completed the meet and negotiation process on the impact on
2 the affected bargaining unit member(s). Changes of more than one hour per day or
3 one day per week shall be negotiated. In addition, no such change shall take
4 effect without the affected bargaining unit member(s) receiving a minimum of 10
5 working days advance notice. The affected bargaining unit member(s) may, at
6 their option and with the Association's agreement, forgo any or all such notice
7 requirements. With the exception of Article IX, Section 9.3, any changes to an
8 employee's schedule involving a reduction in the employee's workday or work

3 compensatory time at the rate designated above may be assigned in lieu of
4 payment. When compensatory time off is authorized in lieu of cash
5 compensation, such compensatory time off shall be granted within 12 calendar
6 months following the month in which the overtime was worked and without
7 impairing the services rendered by the Employer. Exception: Compensatory time
8 shall not be carried over between fiscal years. Any unused compensatory time as
9 of the end of the 1A payroll cycle shall be paid to the bargaining unit member on
10 the 1B payroll.
11

12 In absence of mutual consent, the bargaining unit member shall be paid for such
13 work.
14

15 **13.10 MILEAGE REIMBURSEMENT**

16 Mileage reimbursement for bargaining unit members shall be at the IRS standard
17 mileage rate, unless the program-funding source requires a lower rate. The
18 employer shall provide the Association a list of such programs on an annual basis.
19

20 **13.11 TRAVEL TIME**

21 Any bargaining unit member required to drive to a work location other than the
22 bargaining unit member's base site, beyond the normally scheduled work
23 day/work week and drive time, shall be compensated in accordance with Article
24 XIII, Section 13.8, i.e., if the travel time from the base site to alternative work
25 location is one hour, and the travel time from the bargaining unit member's home
26 to the alternative work location is one-half hour, overtime compensation will be

1 calculated based on whichever is less. Exceptions to the established travel
2 patterns will be reviewed by the employer.

3 **13.12 MEAL ALLOWANCE**

2 New bargaining unit members who have been initially placed on a step other than
3 the first step of the salary range shall not be eligible for step advancement
4 recommendation until they have completed one (1) calendar year (from date of
5 employment) of satisfactory paid status service in their class. A bargaining unit
6 member who has been approved for step advancement by the authorized
7 Leadership Team person shall be placed on the next step within the salary range
8 effective the date in which the bargaining unit member became eligible.
9

10 **13.16 PROBATIONARY BARGAINING UNIT MEMBERS**

11
12 Regular probationary bargaining unit members, other than those placed on an
13 advanced step, shall not be eligible for step advancement recommendation until
14 they have completed satisfactory service during their probationary period.

15
16 “Satisfactory service” means that the level of performance as indicated on the
17 performance appraisal form completed by the appropriate Leadership Team
18 person is as an aggregate satisfactory or above and that the evaluator has
19 recommended thereon that the bargaining unit member be granted a step
20 advancement. A bargaining unit member who has been approved for step
21 advancement by the authorized Leadership Team person shall be placed in the
22 next step within the salary range effective the date which the bargaining unit
23 member became eligible.
24

28 for additional step advance recommendation upon successful completion
29 thereafter of one (1) calendar year of satisfactory paid service, dating from the
30

1 date of their previous advancement (as approved by the authorized Leadership
2 Team person) up to Step 5. Effective upon ratification and adoption of this
3 Agreement, eligibility for step advancement to Step 6 shall occur upon the
4 bargaining unit member's next anniversary of advancement to or placement on
5 Step 5 or 5A. Should a satisfactory recommendation be received subsequent to
6 the one (1) calendar year from date of employment as listed above, with exception
7 for the conditions described in following subsection 13.19, the salary adjustment
8 for the step advancement should be made retroactive as though timely. The
9 bargaining unit members who have reached top step of the range in which their
10 class is placed or who have had their position "Y" rated, shall not be eligible for
11 step advancement.
12

13
14
15 **13.18 DENIAL OF ADVANCEMENT - REEVALUATION**

16 Permanent bargaining unit members who have been denied step advancement
17 because of unsatisfactory performance shall be reevaluated once per interval by
18 the appropriate Leadership Team person at intervals, not to exceed 45 working
19 days, until satisfactory performance is achieved or other appropriate action is
20 taken. Said bargaining unit members who achieve satisfactory performance, as
21 determined by the authorized Leadership Team person, shall be placed on the next
22 step within the salary range effective at the next full pay period following the date
23 of the approval.
24

25
26 **13.19 SALARY ADJUSTMENT FOR STATUS CHANGES**

27 A bargaining unit member receiving a promotion shall be placed on the
28 appropriate step of the range to which the new classification is assigned to insure
29 that an increase in salary is provided, reflecting a minimum of one full step on the
30

1 schedule. The effective date of the salary adjustment, which shall also become
2 the new anniversary date, shall be effective the date in which the promotion is
3 implemented. A bargaining unit member shall receive a regularly scheduled step
4 advancement if it falls within 90 calendar days of the promotional date.

5
6 When a bargaining unit member is demoted, either voluntarily or involuntarily,
7 the bargaining unit member's placement within the range of the newly assigned
8 class shall become effective at the date in which the directed placement in the
9 lower classification was made. A new anniversary date may be assigned by the
10 Employer. The newly assigned step in the range of the lower classification may
11 not exceed the rate paid the bargaining unit member in the higher classification.

12
13 Bargaining unit members demoted during their initial probationary period shall be
14 placed in Step 1 of the range to which the lower classification has been assigned.

15
16 Bargaining unit members demoted during a promotional probationary period shall
17 be placed on the same step within the range assigned to the class which they held
18 prior to said promotion.

19
20 Bargaining unit members who are demoted for reasons of discipline or for layoff
21 may only be granted a "Y" rated status pursuant to negotiations with the
22 Association.

23
24 **13.20 RECLASSIFICATION**

25
26 Reclassification studies may be conducted at any time and shall be negotiated
27 with the Association prior to implementation. The Reclassification Request
28 Questionnaire, Form 2020 is available on RCOE's Website or in the Personnel
29 Division.

1 “Reclassification” means the upgrading of a position to a higher, paid
2 classification as a result of the gradual accretion of the duties being performed by
3 the incumbent in such position. The reclassification procedures set forth in this
4 article apply when significant permanent changes in assigned duties as required
5 by the Employer, occur in a bargaining unit member’s position that are not
6 actually reflected in, or reasonably related to, the specific statement of duties
7 required to be performed as set forth in the job description for the position, where
8 such changes are not temporary in nature, and the changes require a skill level or
9 a responsibility level higher than that usually required of the existing
10 classification. Reclassification is not the result of job performance, seniority in a
11 classification, or an increase in the quantity of duties and responsibilities
12 contained in the existing job description.

13
14
15
16 **13.20.1** Any bargaining unit member who believes that their position may be
17 subject to reclassification as defined above, may request a review of the
18 bargaining unit member’s classification by submitting the Reclassification
19 Request Questionnaire, Form 2020 to their supervisor. The Division of Personnel
20 Services will notify the Association of reclassifications when received.
21 Reclassification requests shall be reviewed and completed within a reasonable
22 length of time and generally not exceed nine (9) months. Bargaining unit
23 members working less than twelve (12) months shall have their reclassification
24 request placed on hold for the summer period. If additional information is needed
25 by the Division of Personnel Services or other extenuating circumstances, results
26 in a delay of the process, the Division of Personnel Services shall notify the
27 bargaining unit member and Association. A written response shall be given to the
28
29
30

1 employee(s) for all reclassification request denials and copied to the Association.

13.20.2 (a) A bargaining unit member reclassified from one class to another shall retain the hire date in the former class; the hire date in the new class shall be the date the reclassification was filed and pay will be retroactive to that date.

(b) If employees in the same classification are reclassified at the same time, their seniority order in the former class shall be retained. When the reclassification is to an existing classification, the bargaining unit member will be placed on the first salary step in the new classification that provides at least a 5% increase but not to exceed the highest step in the new classification.

(c) If there is an existing job description requiring revisions due to an accretion of duties, the Employer and the CSEA shall create a revised job description (using the existing job description as a starting point) and salary range through the negotiations process. Thereafter, the employee will maintain their step placement in the agreed upon new salary range.

13.20.3 Nothing in this article shall limit the Employer's right to propose or implement reclassification studies. Additionally, this article does not apply to a reorganization which results in the creation of a new position.

13.21 INCONSISTENT DUTY ASSIGNMENT: COMPENSATION

It is the intent of this section to permit the Employer to work bargaining unit members temporarily outside their normal duties but in so doing to require that

1 some reasonable compensation be provided to the bargaining unit member during
2 such temporary assignment when that assignment is of a significant duration. The
3 Employer shall inform the Association when a bargaining unit member is
4 assigned inconsistent duties or an out-of-class assignment.

5
6 **13.21.1** Bargaining unit members shall not be required to perform duties which
7 are not fixed and prescribed for the position, unless the duties reasonably relate to
8 those fixed for the position, for any period of time which exceeds five (5) working
9 days within a fifteen (15) calendar-day period except as authorized below:

10
11 **13.21.2** A bargaining unit member may be required by the employer to perform
12 duties inconsistent with those assigned to the position for a period of more than
13 five (5) working days provided that the bargaining unit members' salary is
14 adjusted upward for the entire period they are required to work out of
15 classification and in such amounts as will reasonably reflect the duties required to
16 be performed outside their normal assigned duties.

17
18 **13.21.3** Inconsistent duties as an out-of-class appointment means the assignment
19 by the Employer of a bargaining unit member to an upgraded position or higher
20 classification in a vacant position for a limited duration. Such assignment shall
21 not exceed a total of 960 hours in a fiscal year. Salary placement for a bargaining
22 unit member in an out-of-class appointment will be no less than Step 1 of the
23 Range for the higher or upgraded position. If Step 1 does not provide a minimum
24 of a 5.5% salary increase, the bargaining unit member will be placed at the step of
25 the Range of the higher or upgraded position in order to provide at least a 5.5%
26 salary increase, but not to exceed the highest step for the higher or upgraded
27 position. This type of assignment is characterized by the bargaining unit member
28
29
30

1 performing significantly all, or most of the responsibilities of the higher
2 classification.

3 **13.21.4** A bargaining unit member may not self-assign additional inconsistent
4 duties. In order to qualify for Inconsistent Duty compensation as described in
5 Section 13.21.3.1 and 13.21.3.2, the inconsistent duties must have been assigned
6 by the Employer.
7

8 **13.22** **PARKING**

9 If it is determined that parking which is owned or leased by the Employer will
10 result in a cost to employees, the Employer will meet with the Association to
11 negotiate the effects to the bargaining unit.

6 Leave.” Floating Leave has no monetary value and is not subject to pay off.

7
8 **16.2.1** A bargaining unit member having a valid illness or injury shall be able to
9 use sick leave and must notify the Employer’s absence reporting system, as

6 of notification. The requirement may be extended by Personnel
7 Services, if the bargaining unit member's attendance has not
8 satisfactorily improved.
9

17 return if the original statement is indefinite. Prior to return to work from
18 any absence of ten (10) days or more, a statement from the bargaining unit
19 member's physician verifying that the bargaining unit member can return to
20 work with or without restrictions and without detriment to the bargaining

28

29 **16.2.5** The bargaining unit member may elect to use in any fiscal year the
30 member's accrued and available sick leave entitlement, in an amount not

1 more than the sick leave that would be accrued during six months at the
2 member's then current rate of entitlement, to attend to an illness of a family

20 bargaining unit member or the bargaining unit member's family member as
21 defined in this section.

22 The leave provided in this section may also be used because of the need of
23 the bargaining unit member to obtain or seek any relief or medical attention

30

1 bargaining unit member's child, when the bargaining unit member has been
2 a victim of violence, sexual assault, or stalking.

3 This section does not extend the maximum period of leave to which a
4 bargaining unit member is entitled under the federal Family and Medical
5 Leave Act or the California Family Rights Leave Act.
6

7 **16.2.6** A bargaining unit member cannot be absent from work without pay for
8 reasons other than those covered by this Agreement. Therefore, when all
9 sick leave entitlements have been exhausted, vacation and compensatory
10 time shall be utilized.

16

17 In order to qualify for 50% pay, a unit member shall first utilize all accumulated
18 vacation, compensatory time off, and all sick leave entitlements.
19

20 The employee shall be notified, in writing, by Personnel that available paid leave
21 has been exhausted, and shall be offered an opportunity to request additional leave.
22

23 The Superintendent may renew the leave of absence, paid or unpaid, for two
24 additional six (6) month periods or lesser leave periods that it may provide but not

26 Leave.

27 If at the conclusion of all leaves of absence, paid or unpaid, the employee is still
28 unable to assume the duties of his or her position; the employee shall be placed on a
29 reemployment list for a period of 39 months.
30

1 **16.4 INDUSTRIAL ACCIDENT AND ILLNESS**

2 **16.4.1** A bargaining unit member who is absent from duty because of an illness or
3 injury defined as an industrial illness or accident under the provisions of the
4 Workers' Compensation Insurance law, shall be granted paid industrial
5 accident leave for each such accident or illness while receiving temporary
6 disability benefits from Workers' Compensation.
7

8 **16.4.2** Paid industrial accident leave shall be for not more than sixty (60) working
9 days per fiscal year, for the same accident. Allowable leave shall not be
10 accumulative from year to year. Industrial accident or illness leave will
11 commence on the first day of absence. When an industrial accident or
12 illness occurs at a time when the full 60 days will overlap into the next fiscal
13 year, the employee shall be entitled to only that amount remaining at the end
14 of the fiscal year, in which the injury or illness occurred, for the same illness
15 or injury.
16
17

18 **16.4.3** Paid industrial accident leave shall be reduced by one day for each day of
19 authorized absence regardless of the temporary disability allowance made
20 under Workers' Compensation. Days absent while on paid industrial
21 accident leave shall not be deducted from the number of days of paid sick
22 leave to which the bargaining unit member may be entitled.
23
24

25 **16.4.4** If the bargaining unit member is unable to return to duty after exhausting
26 paid industrial accident leave; the bargaining unit member shall be placed on
27 paid sick leave if the bargaining unit member is eligible therefore.
28 Accumulated sick leave will be reduced only in the amount necessary to
29 provide a full day's wages or salary, as indicated in the bargaining unit
30

1 member's assignment, when added to compensation without penalties from
2 Worker's Compensation Fund.

3 **16.4.5** After all paid illness leave has been exhausted following a paid industrial
4 accident leave; a bargaining unit member may elect to receive pay from
5 accrued vacation or other earned leave to the extent necessary to make up
6 the bargaining unit member's regular salary when receiving a temporary
7 disability allowance without penalties from the Worker's Compensation
8 Fund.

9
10
11 **16.4.6** Bargaining unit members who have been approved by the Division of

15 from the date of the original illness or injury, less those days worked on a
16 restricted basis.

17
18 **16.4.7** When all paid leaves of absence have been exhausted following an industrial
19 accident or industrial illness, the bargaining unit member's name shall be
20 placed on the reemployment list for the class from which the bargaining unit
21 member was on leave for a period not to exceed 39 months.

22
23 **16.4.8** a. A bargaining unit member who fails to accept an appropriate
24 assignment after being medically approved therefor shall be removed
25 from the reemployment list. Appropriate assignment is defined as an
26 assignment to the bargaining unit member's former class, in the
27 bargaining unit member's former status and time basis, in assignment
28 areas in which the bargaining unit member has been available.
29
30

1 A bargaining unit member returning from such leave of absence shall
2 not have any loss or gain in seniority or employer benefit status.

3 b. While a bargaining unit member is on any paid leave resulting from an
4 industrial illness, the bargaining unit member's paid salary shall not,
5 when added to a normal temporary disability allowance award without
6 penalties granted the bargaining unit member under State Workers'
7 Compensation Insurance laws, exceed the bargaining unit member's
8 regular salary. A permanent bargaining unit member's salary is
9 computed on the basis of the number of hours and days in the
10 bargaining unit member's basic daily assignment. A bargaining unit
11 member who is not permanent shall have the bargaining unit member
12 salary computed on the basis of the average number of hours worked
13 each month in which the bargaining unit member was in paid status
14 during the preceding year.

15 c. During all paid leaves resulting from an industrial accident or
16 industrial illness, the bargaining unit member shall endorse to the
17 Employer all wage-loss benefit checks received under State Workers'
18 Compensation Insurance laws. Appropriate warrants shall be issued

14 for leave and its duration. This form shall be submitted to the Personnel
15 office. The request shall state the number of days being requested by the
16 bargaining unit member. A Catastrophic Sick Leave Bank Committee,
17 comprised of Association members shall consider the request for the
18 bargaining unit member. The committee shall consist of one person selected
19 by the Employer as a record-keeper and three (3) other members selected by
20 the Association. On an annual basis the committee shall establish and
21 review guidelines and procedures for the consideration of requests for the
22 catastrophic sick leave bank. Approval of a request shall require a majority
23 vote of the Association members assigned to the Catastrophic Sick Leave

10 so.
11
12

13 **17.2** Classified layoffs shall be conducted in accordance with Education Code Section

11 seniority list.
12

13 **17.4 VOLUNTARY DEMOTION OR TRANSFER**

14 A permanent bargaining unit member who will suffer a layoff for lack of work or

17 unit member is qualified to perform the duties thereof, and provided further that the
18 Employer approves the voluntary demotion.
19
20

21 **17.5 REDUCTION IN HOURS**

22 A classified bargaining unit member may elect to accept a reduction in hours per

By completing the Cash-In-Lieu Affidavit, the employee attests to having other group health insurance coverage for themselves and their dependent(s) that conforms to the Affordable Care Act's (ACA) minimum value standards. For a qualifying group health plan to meet the ACA's minimum value standards, the plan must cover at least 60 percent of the total allowed costs of benefits provided under the plan. Employees may refer to their plan's Summary of Benefits and Coverage document to determine if their coverage meets the law's minimum value standards.</p>

- Employee Assistance** The Employee Assistance Program (EAP) is available to provide assistance with alcohol and drug related matters, marital and family problems, mental health, financial difficulties, and legal concerns. Confidential services or referrals for the employee and dependents may be obtained by calling (800) 266-0510 or (951) 781-0510.
- Voluntary Programs** There are several additional voluntary programs available, including Hyatt Pre-Paid Legal, American Fidelity products, Pacific Educators products, and UNUM Long-Term Care plans. Contact Risk Management for information.
- Retirement Benefits** Most classified employees will be members of the CalPERS retirement system. Currently, PERS will give employees service credit for unused sick leave upon retirement. This benefit rewards employees who save up their sick leave by giving them additional retirement benefits. For additional information, contact PERS (888) 225-7377 or attend one of the PERS Retirement Planning workshops provided throughout the county. Also, visit the CalPERS Website at <http://www.calpers.ca.gov>.
- Retiree Health Benefits** Eligible retirees will receive the same employer contribution towards CalPERS health benefits as active classified bargaining unit employees. Please see Article 12.10 for eligibility requirements.
- In accordance with the regulations of the Public Employees' Medical and Hospital Act (PEMHCA), upon reaching age 65, retirees eligible for Medicare coverage must enroll in Medicare and a CalPERS Medicare plan. RCOE will contribute up to the cap amount towards the CalPERS Medicare plan premium.
- COBRA** COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) ensures that employees and their dependents do not lose their health insurance when workers leave their jobs. COBRA permits members to continue their group health insurance policies when they leave for any one of a number of reasons. COBRA's protections are temporary and are intended as a stopgap until insurance is obtained from another source, such as a new employer. The cost of maintaining coverage through COBRA is borne by the former employee or family member.
- The length of COBRA benefits depends on the reason the person qualifies, such as termination of employment, retirement, divorce or legal separation, termination of a child's dependent status, and death of the employee. There are certain timelines that have to be followed to assure eligibility for COBRA coverage. Please contact Risk Management for more information as soon as possible when a qualifying event occurs or is anticipated.
