

**RIVERSIDE COUNTY
OFFICE OF EDUCATION**
JUDY D. WHITE, Ed.D.
County Superintendent of Schools

MANAGEMENT LEADERSHIP TEAM (MLT) MANAGEMENT COMPENSATION PLAN (Effective July 1, 2019)

1. Management salary schedules are effective July 1 each year.
2. A row/range differential from a bachelor's degree to master's degree represents approximately 2.75% whereas a column/step differential approximates 5.5%.
3. Salary placement on the schedule is dependent upon verified experience and training. Management personnel normally start on the first column/step of the particular position classification at the direction of the Riverside County Superintendent of Schools.
4. The structure of the salary schedule provides for placement upon possession of a bachelor's degree (or other minimum qualifications) or master's degree. Managers with a valid master's degree will be placed on the schedule one row/range above those with a bachelor's degree. Managers with a valid doctorate degree from an accredited educational institution will receive an annual stipend of \$1200*. The rows/ranges indicated above are for incumbents with either a bachelor's or master's degree, verified by official transcripts from an accredited educational institution. Management substitute rate of pay is based upon the first column/step of the classification row/range of the absent employee, unless authorized at a higher level by the county superintendent.
5. Management personnel must successfully complete 50% of the preceding contract year in a paid status to be eligible for a column/step advancement on July 1.
6. All positions work a full year (223 work days) unless otherwise indicated. Salary is paid on a 12-month pay cycle except as noted.
7. Positions are placed on the salary schedules as follows:

**Management employees hired prior to 7/1/13 and with an earned doctorate awarded prior to 7/1/13 will be placed in the schedule one row/range above those with a master's degree, in lieu of the stipend.*

NOTES:

1. Work year equals 202 days; salary is paid on 11 or 12-month pay cycle.
2. Classes of Program Specialists
3. Classes of Program Development Specialists

4. Classes of Instructional Specialist
5. Classes of Project Manager
6. Classes of Manager
7. Classes of Coordinator
8. Classes of Coordinator/Principal
9. Classes of Principal
10. Classes of Administrator
11. Classes of Director I
12. Classes of Director II
13. Classes of Executive Director
14. Cabinet Leadership – Classes of Assistant Superintendent, Associate Superintendent, Chief Academic Officer, Chief Business Official, Chief Governmental Relations Officer, Chief Personnel Officer, Chief of Staff, and Chief Technology Officer.
15. Identified information technology positions within the Division of Information Technology Services (ITS) and the Office of the Riverside County Superintendent of Schools (ORCSS) are placed on a two-range salary structure. Placement qualifications, with range and column placement are subject to negotiations with the applicant and approval by the Superintendent. Accordingly, placement could be anywhere within this two-range salary. Movement on the schedule would be based on years of satisfactory service and there would not be a degree-block to the second range. Thus, an employee could move to the higher range and step based on continued service and achievement of professional growth goals.
